Magnetic Fuel Saver

New Arrival

Model: Apollo-M

Patent No.: ZL 2012 3 0317926.8

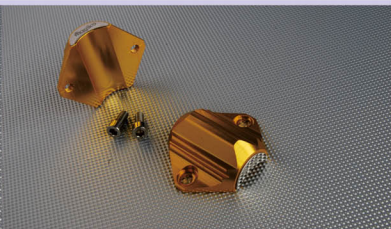

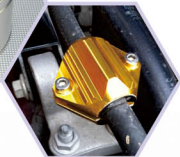

Features:

- * All metal aluminium & stainless steel case
- * Magnetic parts made from 100% top grade neodymium (Nd) magnet
- * 300% POWERFUL THAN NORMAL MAGNETIC FUEL SAVERS
- * SUPER LARGE SIZE: 55x45x36mm, perfect unique arc shape design
- * EASY TO INSTALL (Use stainless steel hex socket bolt to fix, needn't cable tie)
- * SUITABLE FOR 8 & 12 cylinder vehicle, military device & mobile machinery shop

X application: It can be used as magnetic fuel saver, gas saver and water conditioner.

PROMOTION OFFER!!!

FOB NINGBO: US\$9.99/SET

Magnetic Fuel Saver

New Arrival

Model: Y2-M

Patent No.: ZL 2012 3 0317926.8

Features:

- * All metal aluminium & stainless steel case
- * Manetic parts made from 100% top grade neodymium (Nd) magnet
- * 1500% POWERFUL THAN NORMAL MAGNETIC FUEL SAVERS
- * SUPER LARGE SIZE: Product size: 108x88.4x72mm
Suitable for fuel pipe up to Dia 60mm (2-1/4")
- * EASY TO INSTALL (4pcs strong stainless steel hex socket bolt ensure a secure installation)
- * SUITABLE FOR all automobile: especially big vehicles, trucks, buses, generators, trains & ships

PROMOTION OFFER!!!

FOB NINGBO: US\$46.8/SET

X application: It can be used as magnetic fuel saver, gas saver and water conditioner.

Powermag Magnetic Fuel Saver

Powermag

Model: XP (X Power)

Patent No.: ZL 2008 3 0244971.6

Features:

- * ABS plastic case.
- * SIZE: 37x28x30mm/pair.
- * EASY TO INSTALL (with cable tie).
- * SUITABLE FOR: Motorcycle and small car.
- * Super cheap price.

FOB NINGBO: US\$1.5/SET (XP-1: 1 PAIRS SET)

FOB NINGBO: US\$2.8/SET (XP-2: 2 PAIRS SET)

Powermag

Model: SP-2 (Super Power)

2 PAIRS SET

Patent No.: ZL 2008 3 0244971.6

Features:

- * Durable ABS plastic case.
- * SIZE: 37x28x30mm/pair. 2 pairs set.
- * EASY TO INSTALL (with cable tie).
- * SUITABLE FOR: Big motorcycle and middle car.
- * Strong magnetic power.

FOB NINGBO: US\$4.9/SET

Model: SP-4 (Super Power)

4 PAIRS SET

Patent No.: ZL 2008 3 0244971.6

Features:

- * Durable ABS plastic case.
- * SIZE: 37x28x30mm/pair. 4 pairs set.
- * EASY TO INSTALL (with cable tie).
- * SUITABLE FOR: Big motorcycle and middle car.
- * Strong magnetic power.

FOB NINGBO: US\$9.6/SET

Powermag Magnetic Fuel Saver

Model: UP-2 (Ultra Power) 2 PAIRS SET

Patent No.: ZL 2008 3 0244970.1

Features:

- * Durable ABS plastic case.
- * SIZE: 40x30x35mm/pair. 2 pairs set.
- * EASY TO INSTALL (with cable tie).
- * SUITABLE FOR: Big car.
- * Ultra strong magnetic power.

FOB NINGBO: US\$8.5/SET

Model: UP-4 (Ultra Power) 4 PAIRS SET

Patent No.: ZL 2008 3 0244971.6

Features:

- * Durable ABS plastic case.
- * SIZE: 40x30x35mm/pair. 4 pairs set.
- * EASY TO INSTALL (with cable tie).
- * SUITABLE FOR: Big car.
- * Ultra strong magnetic power.

FOB NINGBO: US\$15.8/SET

Model: JP-1 (Jack Power) 1 PAIRS SET

Patent No.: ZL 2009 2 0317927.2

Features:

- * SUPER LARGE SIZE.
- * 150% Powerful compared with normal magnetic fuel savers.
- * DURABLE ALUMINUM CASE.
- * EASY TO INSTALL.
- * SUITABLE FOR all vehicles.

FOB NINGBO: US\$5.8/SET

Magnetic Fuel Saver

Model: LP-X (Luxury Power) 1 PAIRS SET

Patent No.: ZL 2009 2 0317926.8

FOB NINGBO: US\$12.8/SET

Features:

X application: It can be used as magnetic fuel saver, oil filter magnet and water conditioner.

- * All parts made from 100% top grade neodymium (Nd) magnet.
- * 400% powerful compared with normal magnetic fuel savers.
- * LARGE SIZE: 50x35x20mm, perfect unique arc shape design.
- * EASY TO INSTALL (it can install without cable tie, very amazing).
- * SUITABLE FOR all vehicles, military device & mobile machinery shop.

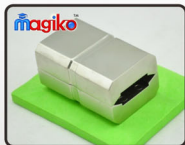

Model: NP-1 (New Power) 1 PAIRS SET

Patent No.: ZL 2009 2 0317926.8

FOB NINGBO: US\$9.8/SET

Features:

- * DURABLE LUXURY ALUMINIUM CASE.
- * 250% powerful compared with normal magnetic fuel savers.
- * SUPER LARGE SIZE: 80x55x55mm.
- * EASY TO INSTALL (with Hex bolt fix)
- * SUITABLE FOR all vehicles, military device & mobile machinery shop.

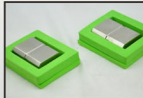

Model: KP-1 (King Power) 1 PAIRS SET

Patent No.: ZL 2009 2 0317927.2

FOB NINGBO: US\$19.8/SET

Features:

- * SUPER LARGE KING SIZE.
- * 500% Powerful compared with normal magnetic fuel savers.
- * DURABLE LUXURY GOLDEN ALUMINIUM CASE.
- * EASY TO INSTALL.
- * SUITABLE FOR all vehicles, military device & mobile machinery shop.

magiko is a new brilliant brand of Dailymag magnetic series products.
It is with excellent design and best quality, and we offer a comprehensive service for you.
You will enjoy a unexceptionable experience with Magiko products.

PROTECT YOUR ENGINE WITH CUTTING EDGE TECHNOLOGY!

Benefits of Power Filter Magnet:

1. Prolongs engine life
2. Prevents expensive engine overhands
3. Maintain cleaner oil
4. Effectively removes more contaminants than the normal oil filter
5. Removes unwanted metal particles from the engine and leaves oil metal free
6. Reusable and transferable
7. Fits most size canister oil filter
8. Security for the engine you can count on
9. Easy to install, no special tools required

How does Power Filter Magnet works?

1. Contaminated oil enters the oil filter
2. Power Filter Magnet separates the ferrous particles from oil and attracts it on the filter canister
3. The ferrous free oil then passes through the standard filter elements
4. Power Filter Magnet keeps the ferrous particles trapped until it is thrown away together with oil filter during filter change.

Model: FP-6 (Filter Power)

Patent No.: ZL 2008 3 0168992.4

FOB NINGBO: US\$4.8/SET

Features:

- * A super design to be used on automotive oil filter to improve filtration Efficiency.
- * A superior upgrade complementing the performance of your vehicle.
- * Proven technology from the aerospace, maritime & motorsports industries is now available to you.
- * EASY TO INSTALL.
- * Converts a standard oil filter into a super dual Stage Filtration system thru the use of Powerful Magnet.
- * SUITABLE FOR most vehicles, military device & mobile machinery shop.

Model: FP-6S (Super Filter Power)

Patent No.: ZL 2008 3 0168992.4

FOB NINGBO: US\$9.8/SET

Features:

- * A super design to be used on automotive oil filter to improve filtration Efficiency.
- * A superior upgrade complementing the performance of your vehicle.
- * Proven technology from the aerospace, maritime & motorsports industries is now available to you.
- * EASY TO INSTALL.
- * Converts a standard oil filter into a super dual Stage Filtration system thru the use of Super Powerful Magnet.
- * SUITABLE FOR all vehicles, military device & mobile machinery shop.

Model: FP-6S+ (Alloy Super Filter Power)

Patent No.: ZL 2008 3 0168992.4

FOB NINGBO: US\$11.8/SET

Features:

- * A super design to be used on automotive oil filter to improve filtration Efficiency.
- * A superior upgrade complementing the performance of your vehicle.
- * Proven technology from the aerospace, maritime & motorsports industries is now available to you.
- * Fully alloy body ensure a heavy duty fixture.
- * Converts a standard oil filter into a super dual Stage Filtration system thru the use of Powerful Magnet.
- * SUITABLE FOR most vehicles, military device & mobile machinery shop.

Remark: 1. The test participated by the member of 'CAR FANS CLUB'.

2. The data of 0-80km was recorded by Sean Xiong (engineer of Vehicle Engineering Laboratory of Zhejiang University).

3. The Fuel Saver didn't installed on vehicle XIALI No. G28675, and the driving from Hangzhou to Ningbo is against the wind, so the 100km Fuel Consume increased 3.46% during the driving from Hangzhou to Ningbo.
